Tasheel User Registration

Introduction

Ministry Of Labour has developed a Tasheel Registration Process to be part from their Tasheel system which will provide Mobile/Online and Tasheel Centers with simple and direct registration for Tasheel users by supporting them with all registration services and tools to complete access their Tasheel services smoothly, easily and quickly.

Online users can create a super user request through this facility.

Primary User in Tasheel

Company owner will require creating a super user (Administrative user) through online. Once a Super user is created and approved by MOL he can access Tasheel and manage his company accounts

Steps to create Tasheel User

- User has to click signup from Tasheel website

The screenshot displays the Tasheel website interface. At the top, the header includes the United Arab Emirates Ministry of Labour logo and navigation links: Mol Portal, Home, Services, Login, Help, Site Map, Our Locations, and Contact Us. A search bar is also present. The main content area features a large banner with the text "Welcome to Smart Tasheel" and a sub-headline "A whole new service experience Smart way to apply for MOL Services". Below the banner, there are several data widgets: "NEW COMPANIES" (1475 Registered), "SERVICE CENTERS" (48 Registered), "REGISTERED USERS" (4374 Tasheel, 6132 Companies), and "This Month" (539002 Transactions till this time). A "Login" modal window is overlaid on the page, containing fields for "User ID" and "Password", and buttons for "Login", "Close", "New User? Sign Up", and "Forgot Password?". At the bottom, there are sections for "Dear Registered Tasheel Service Center", "Useful Links", and "Dear Typing Centers In Abu Dhabi". A "Questions?" chat button is visible in the bottom right corner.

- Enter the company number for which super user needs to be created and provide the personnel number against whom the account will be created. Please note only 1 super user can be created
